### Houston Kashruth Association : Kosher Guidelines Manual

This manual serves as an addendum to all client contracts and is a reflection of HKA policies.

It must be stated once again that all ingredients and food products must be pre approved by an HKA rabbinic Supervisor and the fact that the guidelines may declare that the item is acceptable does not supersede the need for rabbinic approval.

If and when items are added to this manual, notice will be given to clients affected.

### OTHER KOSHER AGENCIES

The Following is a guide to generally acceptable kosher agencies. As a reminder that this is just a guide for clients to use, and that no new products or items may be used without pre approval from a HKA Rabbinic Supervisor
